1. Creation of Packing Address

Enter the ICWChain official website: <http://www.icwchain.com>

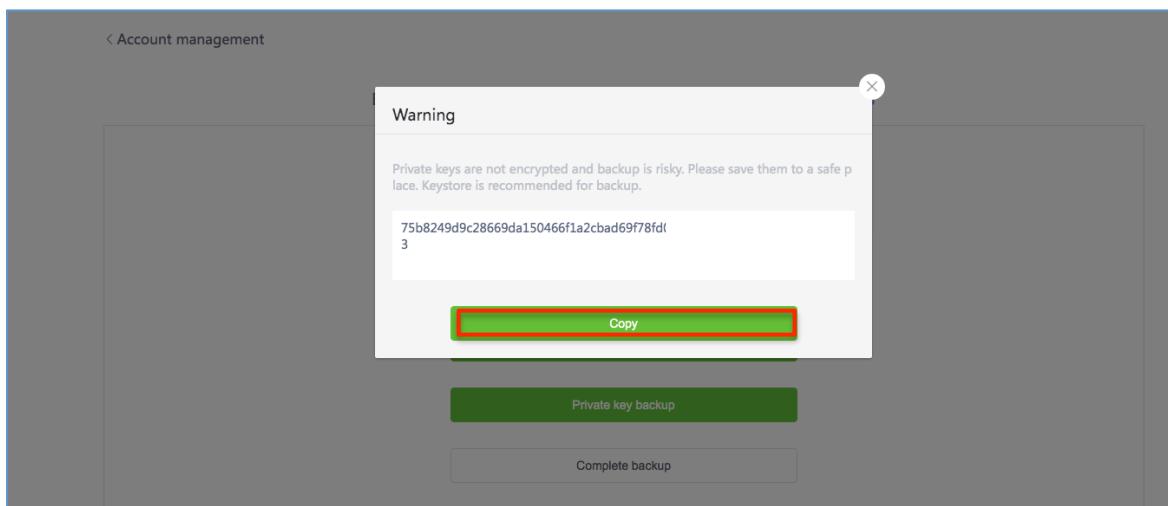

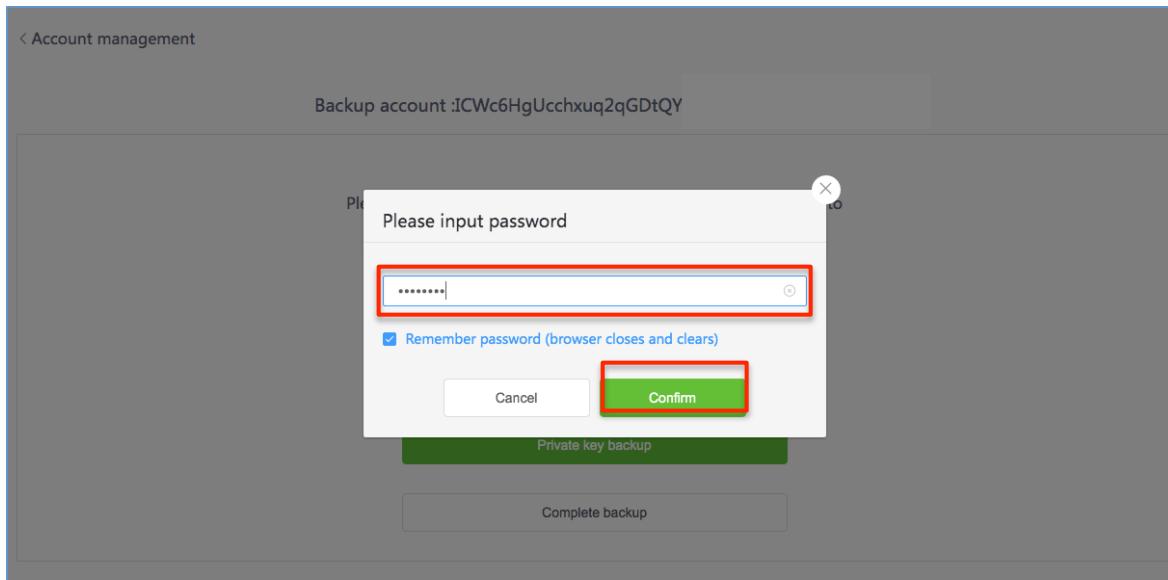

*You must have the ICW on-chain address to begin with. Check our Discord for Tutorial

The screenshot shows the ICWChain website homepage. At the top, there is a navigation bar with links: Home, Technology, Ecological Application, Wallet (which is highlighted with a red box), Node Recruitment, Blockchain Browser, Contact Us, and Language. Below the navigation bar is a large banner with the text "WELCOME TO ICW Chain". The banner features a background of blue and purple glowing dots forming a wave pattern. In the center of the banner is a blue button labeled "White paper download link". Below the banner, the main content area has a header with the ICWChain logo, "Assets", "Transfer", and "Consensus" buttons. To the right of the header are "Set" and "CN" buttons. A "Official Website" link is also present. Below this, there are two buttons: "Private key import" (green) and "Create address" (grey). The "Private key import" section contains fields for "Please enter your private key:" (red box), "Set password" (red box), and "Confirm password" (red box). A green "Import Wallet" button is at the bottom of this section.

The screenshot shows the ICWChain wallet interface. At the top, there are navigation links: Assets, Transfer, Consensus, and a user icon with dropdown menus for Set and CN. Below this is a link to the Official Website. The main area is titled "Account management" and contains a table with one row. The table columns are Account, Total, Available balance, Alias, Remarks, and Operation. The single row shows the account address `ICWc6HgWGaK2SadhmDoDcG7vViWufUXJWtBy`, a total of 0, an available balance of 2617.16156275, and checkboxes for Alias and Remarks. The Operation column includes links for Change Password, Backups, Login out, and Enter. A red box highlights the green "Create address" button in the top right corner of the table header.

This screenshot shows the "Private key import" section. It includes fields for "Set password" and "Confirm password", both of which are highlighted with red boxes. Below these fields is a checkbox labeled "I understand that I need to keep my password secure". At the bottom is a green "Create address" button, also highlighted with a red box.

The screenshot shows the "Backup account" screen. At the top, it displays the account address `:ICWc6HgUcchxuq2qGDtQ`. Below this is a note: "Please keep your private key. If you lose it, wallet will not be able to retrieve it for you". The main part of the screen lists four backup options: "Keystore backup", "QR code backup", "Private key backup", and "Complete backup". The "Private key backup" button is highlighted with a red box.

● Check for On-Chain Address and Packing Address

The screenshot shows the main account overview screen. At the top, there are tabs for 'Assets', 'Transfer', and 'Consensus'. To the right, there are buttons for 'Set' (highlighted with a red box), 'CN', 'Off', and 'Account Management' (highlighted with a red box). Below these are buttons for 'Nodes Service' and 'Contacts'. The central area displays account details: 'ICWc6HgWGAK2SadhmDoDcG7vViWufUXJWTBy' with a copy icon, and transaction records showing a total of 4617.261 and a balance of 2617.260. A 'Send' button is next to the balance. To the right, locking information is shown: 2000.001 with a 'Detail' link. Below this, there's a section titled 'Across assets' with a table:

| Assets | Total | Locking | Available | Operation |
|--------|-------|---------|-----------|-----------|

2. Staking

Enter the ICWChain official website: <http://www.icwchain.com>

The screenshot shows the ICWChain official website. At the top, there is a navigation bar with links: Home, Technology, Ecological Application, **Wallet** (which is highlighted with a red box), Node Recruitment, Blockchain Browser, Contact Us, and Language. Below the navigation bar, the main heading is "WELCOME TO ICW Chain". A descriptive text below the heading states: "ICWChain comes from 'I Ching way', and 'Ching' means 'transformation, change and innovation'. ICWChain is an innovative public chain network that takes into account decentralization, high performance and data security. ICWChain will be an innovator and navigator in the wave of the third generation Internet Science and technology revolution, and take promoting the construction of the global digital economic system as the front action force and ultimate mission." A "White paper download link" button is visible on the right side of the text. The background features a dark blue gradient with a glowing purple and blue grid pattern. At the bottom, there is another navigation bar with links: Assets, Transfer, Consensus, and a dropdown menu. To the right of this bar are icons for user profile, settings, and language selection (Set CN). Below this, there is a link to "Official Website". The main content area contains fields for "Private key import" and "Create address". A large input field is labeled "Please enter your private key:" and has a red border. Below it are fields for "Set password" and "Confirm password", also with red borders. At the bottom of the form is a green "Import Wallet" button.
